

SHORT COURSE

# Commercial Operators (ACDC) Licence

COURSE INFORMATION

Workshops  
run monthly

This course is designed for people who require a Commercial Operators (Agricultural Chemical Distribution Certificate) Licence to use herbicides and agricultural chemicals in their work.

## Learn necessary skills:

- HA Identify weeds, pests and diseases
- HA Hazard and risk management
- HA Prepare, apply and safely use chemicals
- HA Calibration and SDS use
- HA Chemical records
- HA Spray plans
- HA Transportation
- HA Chemical management & storage

## Units

This course covers the two units of competency required by the Queensland Department of Agriculture and Fisheries to meet the skills and knowledge required to be able to apply to for your unrestricted Commercial Operators Licence.

AHCCHM307	Prepare and apply chemicals to control pest, weeds and diseases
AHCCHM304	Transport and store chemicals

## Duration

This is a 4 week program with an online learning and assessment component to be completed in your own time prior to the scheduled practical training day.

**Weeks 1-3:** Online learning and assessment submission.

**Week 4:** 1 day practical workshop at a Look Now Training Sunshine Coast facilities.

## Licence Application Process

Once you have completed this short course, the ACDC licence application process is easy.

Look Now Training issues a nationally recognised Statement of Attainment to course graduates.

Simply apply to Biosecurity Queensland (Department of Agriculture and Fisheries) online, or on the approved application form, and include a certified copy of your Look Now Training Statement of Attainment and the appropriate licence fee.
